**Special Needs?** Lodging at Winona is rustic and the ground is uneven, but the Winona staff tries to accommodate special lodging requests based on physical needs, so let us know if you have a difficult time with stairs, uneven ground or walking distances. We will try our best to accommodate your needs within the limits of our outdoor camping facilities. Please briefly explain any special needs you may have:

**Photo Release:** By registering for the Maine Canoe Symposium you are giving us *implied permission to use photos* taken during the symposium that may contain you or members of your family/party for future promotional purposes.
